

**Draft Agenda for Gathering Wisdom for a Shared Journey IX
 May 15th-17th, 2018
 Westin Bayshore Hotel, Vancouver, BC**

Objectives:

- To share information with BC First Nations on emerging priorities and opportunities for the FNHA as a health and wellness partner
- To profile the Indigenous Cancer Strategy, discuss First Nation cancer care journeys in BC, and launch a new cancer screening campaign
- To support leadership-level discussions on the role of healing and resiliency in community health and wellness, including opportunities to learn from promising practices and successful models in BC
- To seek direction from First Nation leaders and health leads on mental health and approaches to address the broader determinants of health and wellness
